

FOR IMMEDIATE RELEASE

94 Rock and Citi Foundation are teaming with Habitat for Humanity to build "The 94 ROCK House".

Albuquerque, NM This Monday, August 18th, Radio Station 94 ROCK will be conducting a Radiothon to benefit Habitat for Humanity and a New Mexico family. Morning host TJ Trout, along with station personalities Erica Viking, Swami Rob, Rainman and Phil Mahoney will be broadcasting from 6am until 6pm. The broadcast will originate from the building site at 4708 Don Pedro Padilla SW. Cash Donations and building materials will be collected and hard working volunteers will attempt to build the house in one week.

94 ROCK will simultaneously conduct an online Rock and Roll Auction featuring autographed items from artists such as Ozzy Osbourne, Metallica, Rush, Alice Cooper, Queensryche, Judas Priest, Motley Crue and more.

94 ROCK will also take cash donations to play any song requested at 889-9494. Be it Frank Sinatra or Frank Zappa, Milli Vanilli or Motorhead, 94 ROCK will play it. But, in the case of Milli Vanilli, we will accept a higher bid to not play it.

Greater Albuquerque Habitat for Humanity has built over 100 homes in Albuquerque since 1987.

Building on nine years of support for Habitat for Humanity projects, the Citi Foundation recently awarded Habitat for Humanity International a \$2 million grant to support the construction of affordable houses in the United States. The grant from Citi will provide more than 50 Habitat affiliates across the country with partial to full house sponsorships.
