The Playhouse to Give Free Gas

Grand Rapids, MI: On the heels of the gas station “mistake” where the price was lowered at the pump but raised at the sign The Playhouse is heading out to an unnamed gas station around the Cascade area and lowering gas prices by \$1 on their dime.

Gas prices have reached \$4 and people are feeling the pain so The Playhouse is going to relieve that pain for at least one morning. “Heading into the weekend we wanted to make life a bit easier for people” said Puddin when asked why he wanted to take his money and use it to give people gas.

“Every little bit helps” Eric O’Brien Program Director quipped. “People are having a hard time even getting to work because gas prices are so insane and we feel strongly that this is one way to give back to the people who keep us company in their cars all day long.”

For more information on this event or the secret location of the gas station please contact Brett Altena (B-Side) using the contact information at the top of this Press Release.
