**Golden Gate Park in San Francisco**

San Francisco, CA (August 28, 2013) – [Radio Alice@97.3](http://www.radioalice.com) is pleased to announce **ALICE'S NOW & ZEN FEST**, an annual concert in Golden Gate Park, on September 29, 2013 at Sharon Meadow in Golden Gate Park. Now celebrating 15 years, **ALICE'S NOW & ZEN FEST** is free again this year! More than a concert, **ALICE'S NOW & ZEN FEST** combines great music with a day of good vibes and positive ZENergy in the park. The entire Alice on-air staff including **Sarah and Vinnie** and **Jayn** will introduce the bands. The festivities will include musical talent, gourmet food and more! All ages are welcome and there will be a free bike valet at the main entrance. Doors open at 11:00am.

**The show is noon – 5:00pm. NOW & ZEN concert details at [www.radioalice.com](http://www.radioalice.com).**

**Featured Bands:**

**OneRepublic:** From “Apologize” to “Secrets,” living the “Good Life” and so many more hit singles – including the current “Counting Stars,” [Alice@97.3](#) and **OneRepublic** have been amazing partners. One of their past performances (at Summerthing 2011) even inspired their next video (“Feel Again”)! Alice @ 97.3 is excited to continue a great tradition, with **OneRepublic** at **Now and Zen 2013**.

**Goo Goo Dolls:** After more than 20 years as a band, nine albums, and some of the most lasting and loved songs in [Alice@97.3](#) history, **Goo Goo Dolls** have cemented their place in history and our hearts - not to mention that recently three of the band’s songs placed in Billboard’s Top 100 of 1992-2012, with “Iris” standing at No. 1! From all of those hits to their performance at Now and Zen 2011 to their new album ‘Magnetic” and the beautiful “Come to Me” on the Alice airwaves now, it’s a perfect fit to have **Goo Goo Dolls** back at Now and Zen 2013!

**Plain White T’s:** From starting in 1997 to reaching the musical heights of #1 singles (“Hey There Delilah”) and Grammy nominations, Plain White Ts have given Alice @97.3 so many songs to love...including their latest, the funny-because-it’s-true “Should’ve Gone to Bed.” Plain White Ts were a crowd favorite at Now and Zen 2010, and [Alice@97.3](#) can’t wait to welcome them back to Golden Gate Park.

**Walk Off The Earth:** This 5-piece musical phenomenon from Canada gained worldwide fame with their “5 people, one guitar” cover of Gotye’s “Somebody that I Used to Know” which garnered over 35 million views in its first two weeks online; at press time that video had over 153 million views! They aren’t just covers though, as Alice listeners know from “Red Hands” on the airwaves now. [Alice@97.3](#) is thrilled to welcome Walk Off the Earth to our **Now and Zen** tradition.
