One Direction bio:

With sales of over 65 million worldwide and performances to over 7.5 million fans, One Direction truly are a pop phenomenon. In May this year the band won two Billboard Awards for Top Group and Top Touring Artist. The band are currently on the American leg of their massive On The Road Again stadium tour, before returning to the UK this September for another sold out arena tour. Their fifth album is due for release this November.

5SOS bio:

5 SOS (5 Seconds of Summer) self-titled album on **Capitol Records** has debuted at **No. 1 on the Billboard 200** with 258,643 copies sold in its first week. This long-awaited release is the biggest debut by an Australian artist ever in the Soundscan era – and actually beats their own *She Looks So Perfect* EP,

which sold 143,000 copies when it released in April. This release also becomes the biggest new artist debut of 2014.

Having already reached No.1 globally on iTunes in 76 countries, this full-length has sold more than 1.5 million units worldwide, while total single track sales in the U.S. have surpassed two million.
