Tickets will also be available at select Classic Rock 104.5 and JAKE 107.3 remote broadcasts.

**POINT BLANK** was formed in 1974 with legendary Manager/Producer Bill Ham (ZZ Top). They quickly established themselves among the stalwarts of the Southern Rock movement, touring extensively with the OUTLAWS, LYNRYD SKYNYRD, ZZ TOP, CHARLIE DANIELS and the MARSHALL TUCKER BAND to name a few. Over the course of 10 years, the band released 2 albums for Arista Records and 4 albums for MCA. Hits include "Free Man", Texas-rock-radio anthem, "Mean To Your Queenie" and national rock radio hit, "Nicole". During the 1990's and early 2000's the group largely disbanded and suffered the passing of some of the original members. But 2005 brought a reunion followed by new albums in 2007 and 2009. They have just released their newest album, VOLUME 9.

Special guests, **THE TEXAS BLUES RUNNERS**, are no strangers to South Texas. The Austin based band have played on several concerts in the area and their hit "Somebody Bring Me Some Water", from their first album received heavy radio airplay. The band has just released their second album, "SWEET MAMA".

The show will be held Friday, April 17 at Brewster Street Icehouse. The concert is part of the Classic Rock 104.5/JAKE 107.3 "Free Concert Series".
