NASH FM 93.1 recently joined the growing list of NASH Country stations nationwide. Cumulus will eventually have more than 60 owned-and-operated Country stations operating under the NASH brand.

Cumulus launched the NASH entertainment brand based on the Country music lifestyle in January of this year starting with the flagship NASH FM 94.7 in New York City. In addition to local Country radio stations and live programming originating from Nashville, NASH will include NASH magazine, concerts/events, online content and television programming.

### **About Cumulus Media**

Cumulus Media (CMLS) combines high-quality local programming with iconic, nationally syndicated media, sports and entertainment brands in order to deliver choices for listeners and advertisers and create opportunities for shareholders. As the largest pure-play radio company, Cumulus' exclusive audio content is fully distributed through approximately 460 owned and operated stations in 89 U.S. media markets, over 10,000 broadcast radio affiliates and through numerous digital channels, including a national streaming/mobile platform and partnership with digital audio provider, Rdio.
