Chaz and AJ have had enough of the bi-partisan politics and just want everyone to get back to work. They are doing what they can to say that Connecticut residents can't take it anymore by making their intern work harder than ever.

Starting Wednesday at 5:30am and until the shutdown ends, Intern "Wingnut" will live at a rest area where he will be doing no resting. He will be taking signatures to the Chaz and AJ "GET BACK TO WORK" Petition which will be sent to Washington.

WHEN/WHERE: Pilot Service Plaza. 433 Old Gate Road. Milford CT. Wednesday October 9th, 5:30am – until shutdown ends.

Milford, Conn. — Wednesday October 9th at 5:30a until the shutdown comes to a close. Look for the PLR van and a very tired, unshaven intern collecting signatures.

YOUR COVERAGE IS INVITED!!
