THE LUMINEERS – FRIDAY NIGHT, AUGUST 2  
THE POSTAL SERVICE – SUNDAY NIGHT, AUGUST 4**

**WXRT (93.1FM)** is proud to announce the live broadcasts of a pair of LIVE XRT Concert Exclusives:

The Lumineers broadcast LIVE from the Vic Theatre this Friday night at 12:00 Midnight (CDT) in a sold-out Official XRT Lollapalooza Aftershow. Then on Sunday night, it's The Postal Service LIVE from Metro at 12:00 Midnight (CDT) in a sold-out Official XRT Lollapalooza Aftershow, which marks the final event of Lollapalooza 2013.

Considered one of the best new groups to emerge in recent years, The Lumineers' self-titled debut was ranked #4 Best Album in the 2012 XRT Listener Poll, and their multi-format smash, "Ho Hey" was voted #5 Best Song. WXRT was one of the first radio stations in the U.S. to support them. On the eve of their triumphant Saturday night performance before tens of thousands of festival-goers at Lollapalooza, **The Lumineers** and WXRT will broadcast their intimate concert from the Vic Theatre LIVE in its entirety starting Friday night at Midnight.

Two nights later, following their eagerly awaited co-headlining appearance Saturday night at Lollapalooza, **The Postal Service** and WXRT will broadcast their performance from Metro LIVE in its entirety starting Sunday night at Midnight. This is the final date of The Postal Service's acclaimed reunion tour, marking the tenth anniversary of the release of their debut album, *Give Up*. Their Metro appearance will be the last time they are scheduled to play together.

WXRT is proud to present both of these exclusive live concert events for Chicago on 93.1FM, and throughout the nation on WXRT.com and Radio.com.
