Music Discovery Is Theme of Fall Membership Drive***

New York, NY – New York’s musically adventurous public radio station, WFUV 90.7 FM/wfuv.org) has unveiled *FUV Live 16*, its sixteenth annual exclusive collection of songs recorded in the station’s Studio A. The 19 artists represented range from **Mavis Staples** to **The Mavericks** to **Mumford & Sons** to **Laura Mvula**. The collector’s item is available with contributions of \$100 and more at 877-938-8907 or [online](#) during the station’s fall membership drive, which began today.

“Music discovery starts here,” said WFUV Program Director Rita Houston, who has produced all 16 of the WFUV’s live compilations. “That’s the theme of our fall drive, and that’s the basis for *FUV Live 16*. It’s definitely our best ever, and it’s a reflection of where FUV is today and where we’re headed.”

FUV Live 16 presents some of the exciting new talent that caught the station’s ears over the past year or so – **The Lone Bellow**, **Divine Fits**, **Laura Mvula**, **Savoir Adore**, and **Robert DeLong**, among others. It also includes icons and old friends like **Mavis Staples** and **The Mavericks**, and the standard bearers of today’s music scene – such as **Mumford & Sons**, **Phoenix**, **Iron & Wine**, and **The Lumineers** – who’ve managed to combine artistic integrity with that elusive goal, commercial recognition.
