## CHAZ & AJ GIVES AWAY A FREE WEDDING

**MILFORD, CT** – April 7, 2014 – Connoisseur Media’s New Haven, CT based Mainstream Rock, 99.1 WPLR and Stamford/Norwalk, CT based Classic Rock, 95.9 WFOX morning show ‘Chaz & AJ In The Morning’ announced this morning they’ll be giving away a free wedding!

Connecticut is ranked 9<sup>th</sup> on the list of the most expensive places to hold a wedding. Because of the high cost Chaz & AJ are giving one lucky Connecticut couple brave enough to say “I do” a free wedding on Friday June 6, 2014 at The Inn at Villa Bianca in Seymour, Connecticut.

"There are so many people in Connecticut deserving of a great wedding day but can't afford it," says Chaz. "We are going to help one couple have their dream celebration."

Couples are encouraged to go to [wplr.com](http://wplr.com) and [959thefox.com](http://959thefox.com) and explain why they should be picked for the event. The winning couple will receive, from the show, limo, formal wear, cake, DJ, rings, bachelor and bachelorette parties and one killer reception. The only caveat is that Chaz and AJ get to invite some of their listeners.

"Anyone can have a standard wedding with their friends and family, but having a photo album filled with the biggest fans of this morning show is truly a day to remember," said WPLR and WFOX Operations Manager Keith Dakin.

WPLR 99.1 is a 50,000 watt FM Mainstream Rock Station licensed to New Haven, CT, also serving the markets of: Hartford, Bridgeport and Danbury, CT. WFOX 95.9 is a 3,000 watt FM Classic Rock Station licensed to Stamford/Norwalk, CT.
